Dear Shubham,

We are pleased to offer you the **Applied AI Research Intern** position at Brance Technologies Private Limited with a start date of May 22, 2023. Brance is building a real-time conversational bot (text and voice) for inside sales and customer care functions. We believe your skills and experience are an excellent match for our company.

In this role, you will be required to work on state of the art NLP, Information Retrieval, and Generative AI models, that can power a multi-lingual chat experience for the users.

We are happy to compensate you with INR 20,000 per month salary for this position to be paid monthly.

Please confirm your acceptance of this offer by signing and returning this letter by May 21, 2023.

We are excited to have you join our team! If you have any questions, please feel free to reach out at any time.

Sincerely,

Ayush Gupta,
Co-Founder,
Brance
